

Wickes taps into interior design trends with launch of premium tiles range

Home improvement retailer [Wickes](https://www.wickes.co.uk) has announced the online launch of its Boutique Tiles collection - an exclusive range of 50 premium tiles which have been carefully selected to tap into an assortment of current design trends including: Midnight Luxe, Monochrome, Industrial, Scandi and Elegant Country.

Starting at £27 per m² and available in both ceramic and porcelain materials, the exclusive range of high-quality tiles offers an enduring and low-cost wall and floor solution. The range displays a variety of designs across polished marble, wood-effect, concrete-effect, limestone and travertine.
