

The background of the slide is a photograph of a Screwfix store. The store's name 'SCREWFIX' is mounted on the upper part of the building in large, 3D letters, with 'SCREW' in blue and 'FIX' in red. Below it, a large sign on the building reads 'WHERE THE TRADE BUYS' in blue and red letters. The address '1021' is visible on the right side of the building. A white rectangular box with a dark blue border is centered on the slide, containing the text 'Sell Side Analyst Trip – 12-10-12'.

"this is a great drill, with a lot of power for such a nimble little machine - the balance is terrific and the drill is easily carried around on a belt with the attached clip
it is simple to operate as well
the max 60nm torque is also terrific - use this with low revs obviously"

The screenshot displays the TradePoint website interface. At the top, there's a navigation bar with the TradePoint logo, contact information (0845 605 6666), and user account links. Below this is a breadcrumb trail: Home > Products > Power Tools > Drills > DeWalt 18V Cordless Drill Driver. The main product image shows a yellow and black DeWalt drill. To the right of the image, the product name 'DeWalt 18V Cordless Drill Driver' is listed, followed by a description, availability status ('Delivery in 2-3 days'), and the price (£283.32). A 'Quantity' selector is set to 1, and an 'Add to basket' button is present. Below the main product, there are sections for 'Items often bought with this product' (showing DeWalt Extreme 2 HSS Drill Bit Set, DeWalt Post Tie Tag Box Screeddriver Bits, and Worksite Set 50 Piece Set) and 'Product info' (including manuals and guides). A 'Tech specs' table is also visible, detailing the drill's specifications. The footer contains links for 'Help & support', 'Trade services', 'Our stores', 'Get to know us', 'Partners', and 'News'.
