Information correct as at 19 August 2015.

The figures above are a simple arithmetic average of the most recent forecasts that have been provided to Kingfisher by registered investment analysts. As such, the figures do not give greater weight to more recent forecasts or to the forecasts of any individual analyst, nor are they adjusted to exclude forecasts that pre-date a significant announcement or event, and therefore may or may not represent the market consensus. These average estimates are not endorsed by Kingfisher, nor does Kingfisher assume any obligation to update or revise them after the date above.
