Store Tour

To kick off the 9th Global DIY Summit, participants will have the chance to partake in a Store Tour on the 14th of June 2023.

With the top 10 players representing sales of €19.2 bn in 2021, Germany is largest DIY and home improvement market in Europe, and the second largest globally. The German retail sector also offers a unique insight into a highly competitive market, with more sales space per capita than any other country.

The Global DIY-Summit Store Tour of Berlin will give delegates the chance to explore and be guided through some of the most profitable and innovative DIY and home improvement stores in the most densely populated city in Germany.

You can book your place on the Store Tour with your registration for the Summit. Please note that this event is subject to an extra fee.

Main Topics

International Congress Exhibition

Why should you partner with us? With approximately 1000 industry leaders attending the event, the 9th Global DIY Summit provides an unprecedented platform for senior executives from leading home improvement retail and manufacturing companies to meet the elite worldwide. No other congress brings together over 400 retailers from the DIY and Gardening sectors, across 55 countries. Berlin will be the meeting place for the most influential decision makers to debate, discuss and shape the direction of the industry.

The Global DIY Congress Exhibition 2023 is certainly an invaluable platform to showcase your most innovative product trends and to expand your network of contacts.

We would like to thank all our sponsors for making this congress possible:
