

Product Highlights

For the year 2013-2014

Fencing

In Q4, sales of fence panels were +100% after the autumn storms.

Sandbags

The flooding in Q4 resulted in B&Q selling 750 times as many sandbags as usual. B&Q donated over 100 tonnes of sand to help residents of affected areas.

Paint

This year we have sold 8.4million rollers and pads – one for every member of the population of London.

The bestselling paint shades from the B&Q Colours range are 'Classic Red' and 'Light Rain'

Flooring

This year we could have floored 81 football pitches with the amount of Best Seller Milano Oak Laminate sold.

The numbers
Realwood Engineered Flooring +74% YoY
Laminate +10% YoY
Solid Wood +17% YoY
Hard Underlay +2% YoY
Accessories +4% YoY

New for 2014

April 2014 sees the launch of an environmentally friendly solution to replace conventional polystyrene trays across B&Q's bedding plants. **EasyGrow™** with **Teabag Technology™** is 100% recyclable with 25% less packaging than conventional polystyrene trays.

Cooke & Lewis 'Clic' Kitchens

No tools, no screws and no glue required – the unique 'clic' system creates a seamless finish with no visible fixings, and is quicker and easier to assemble than traditional kitchen cabinets.

BBQs

The latest models for Spring Summer 2014 feature a host of new touches, including dishwasher safe grills, warming racks and folding side shelves; cutting-edge technology to make cooking and entertaining in the garden easier.
