

**15 - 17 February  
Ricoh - Coventry**

**Take a look at the gold medal winning DIY, garden and tool products below, just a small selection from our New Products Showcase...**

### **Best New Decorative Product**

**Gold Award - Chemfix Products Ltd - Metolux Styrene**

Due to tightening legislation regarding the use of the chemical Styrene, Metolux has developed the first Styrene free wood filler in tins, which not only delivers a safer product but also enhances its performance in terms of stability, paint and varnish coverage.

### **Best New Garden Product**

**Gold Award - Darlac Garden Tools - Triblade Shears**

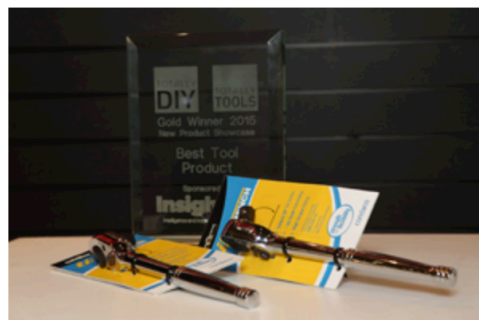

Winning the garden category is a new unique tripple bladed set of shears from Darlac. The central blade provides a static guide for greater stability and accuracy giving the user double speed and less of a jarring effect during clipping, Made from high carbon steel with telescopic handles.

### **Best New Tool Product**

**Gold Award - Condaco - Tilt Wrench**

With a unique 30 degree tilt action, the Condaco Tilt Wrench impressed judges with its innovative design. The patented gear technology and superior torsional strength provides direct access to hard-to-reach bolts. The socket has a quick release mechanism and soft-grip handle option.

### Best New Hardware Product

#### Gold Award - AW Tools Europe - Flexy Door Safety

FLEXY has been designed to protect children's hands against being squeezed by slamming doors. Hooking over both sets of handles, the FLEXY will also prevent a door from closing behind you and is made from sturdy rubber that should last a lifetime.

---

### Best New Product Made in UK

#### Gold Award - Rustins - Textured Decking Oil

Textured Decking Oil contains agents to improve the slip resistance in wet and dry conditions on exterior timber decking. It contains UV absorbers and biocide to protect the oil from mould and will allow the natural beauty of the wood to show through.

### Best New DIY Product

#### Gold Award - Marxman Ltd - MarXman

'The Drilling Companion' - This ingenious new product is a unique marking system that delivers a burst of bright chalk that is clear to see on most surfaces; from tile to pebbledash. By pushing MarXman into fixing holes, the resulting chalk mark shows clearly where to drill.

---

### Best New Security Product

#### Gold Award - Switched On Products Ltd - Light Switch Timer

A great idea, this light switch timer is the first to fit directly over your existing light switch and requires no wiring to install. It works on one, two and three gang switches and can be programmed to turn your lights on and off up to nine times a day, making the home look occupied.
