JASPER CONRAN

Jasper Conran's debut furniture collection for Debenhams celebrates the beauty of natural materials such as oak and cotton by creating pieces that capture a stylish simplicity and timeless aesthetic.

FARRINGTON

With inspiration from mid-century styling, J by Jasper Conran's debut furniture collection is understated chic and exclusive at Debenhams. With tapered legs and Shaker style solid oak handles, this beautiful range is finished with hand-painted bases and veneered with fresh solid oak tops.

Comfort ratings

1

A soft mattress has a lot of 'give' and is an ideal choice for light to average builds who tend to change sleeping positions during the night and sleep on their side.

2
MEDIUM
SOFT

A medium soft mattress supports your body's natural shape and is especially good for those who like to sleep on their side.

3
MEDIUM

A popular choice for most people. A medium mattress supports all sleeping positions.

4
MEDIUM
FIRM

A medium firm mattress is designed for those who tend to sleep mainly on their backs or stomach.

5
FIRM

Ideal for those who have a larger build, suffer from back problems or like to sleep on their back or stomach. A firm mattress gives you the extra support you need for a comfortable night's sleep.

THE SLEEP STUDIO

What bed are you looking for: mattress only, divan set, bed frame, bed frame and mattress.

Over 350 mattress and divan options online.

What mattress is right for you?

Open coil **2 MEDIUM SOFT** **3 MEDIUM** **4 MEDIUM FIRM**

These mattresses are lightweight and great value. A popular choice for kids' bedrooms and spare rooms.

Pocket sprung **2 MEDIUM SOFT** **3 MEDIUM** **4 MEDIUM FIRM**

Springs are wrapped in separate pockets that adjust to individual body weights while eliminating the risk of roll-together, making it the perfect choice for 2 people.

Memory foam **3 MEDIUM** **4 MEDIUM FIRM**

Provides comfort and support while moulding itself to your body shape and helping to maintain and correct posture when lying down.

Orthopaedic **2 MEDIUM SOFT** **3 MEDIUM** **4 MEDIUM FIRM**

Designed specifically for those who need extra support while they sleep. Ideal for those who suffer with back problems or aching joints.

Memory foam **2 MEDIUM SOFT** **3 MEDIUM** **4 MEDIUM FIRM** **5 FIRM**

Provides comfort and support while moulding itself to your body shape and helping to maintain and correct posture when lying down.
