## New jobs created

The new store has created 53 new full and part-time roles and will employ a total of 111 team members. The team has already completed a combined total of 1,076 hours of training.

## Expertise

Our Greenlife & Garden Care team have been busy achieving 'Expert' level in the online City & Guilds accredited Garden Licence programme.

## Store features

As well as home improvement and garden products, the store also boasts a café, indoor children's play area, timber cutting, colour wall and engraving and key cutting services.

## Activity Organiser

There is a dedicated team member responsible for Community Involvement activity and an in-store D.I.Y Workshop programme, with events for both adults & children every weekend

## Community Involvement

Team members engaged with three community groups prior to the store opening; Sunnyside Rural Trust, The Collett School and Woodfield School

## Brands

The new store will stock over 27,000 lines.  
We helped our team members get to grips with the new stock through a 10-day Supplier Expo, where 93 trusted brands delivered 'in the aisle' interactive product knowledge training.

## Range

Introduction of leading brands including DeWalt, Ryobi, Irwin Tools and Johnstone's Trade, as well as Purdy and Harris.
