Intelligence and Insight for the DIY Industry

Bunnings Warehouse  
Bristol Road, Worle  
27<sup>th</sup> October 2017  
Part 1

A photograph of a Bunnings Warehouse store under a clear blue sky. The building has a dark grey facade with a large, curved roofline. The 'BUNNINGS warehouse' logo is prominently displayed on the left side of the building. In the foreground, there is a parking lot with several cars, including a blue hatchback and a silver SUV. A blue car is parked in a designated disabled parking space, marked with white diagonal lines and a wheelchair symbol. To the left of the car, there is a sign that reads 'P DISABLED PARKING ONLY' with a wheelchair icon. Further to the left, there are some green plants and a small sign with a wheelchair icon. In the background, there are more cars and a sign that says 'THE LOWEST PRICES AGAINST THE COMPETITION'.

## Bunnings accredited Kitchen and Bathroom installers

If you'd like a professional to install your kitchen or bathroom, our Team Members can give you details of Bunnings accredited installers.

### ✓ 12-month workmanship warranty, for peace of mind

All Bunnings accredited installers have completed a rigorous approval process. This ensures that they have knowledge of our range and can demonstrate the skills and experience necessary to expertly install your kitchen or bathroom, so it looks its best. For additional protection, Bunnings check that all our accredited installers are qualified and are compliant to current legislation including having public liability insurance, Gas Safe registration and an electrical governing body registration. For complete peace of mind all our accredited installers offer a 12-month workmanship warranty.

### ✓ Expert advice

We know it's important to have a professional team working in your home. Our accredited installers will do a full technical survey to ensure your design fits, complies with relevant safety and legislative requirements and can advise you on any possible improvements.

### ✓ Quality at a great price

Our accredited installers are all independent. This means you pay the installer directly for their work and get the best price. To help you plan your kitchen and budget for the project, your Bunnings Team Member can give you an indicative estimate of the installation cost of the product purchased.

All Bunnings accredited installers are independent. Contacts are between customers and installers and customers pay installers directly for their work.
